

PC Practo Online Academy LLP and NEP-2020:

Bridging Vision with Action

Introduction

Education in India is undergoing a profound transformation with the **National Education Policy (NEP) 2020**. At its core, NEP-2020 emphasizes **concept-based learning, integration of modern technology, and equitable access to quality education**. The policy envisions a future where learning is inclusive, affordable, and aligned with global standards.

At **PC Practo Online Academy LLP**, our framework is designed to resonate with this vision. By mapping our initiatives to NEP-2020, we ensure that both **content delivery and digital systems** reflect the priorities of the policy.

Objective

Our objective is simple yet ambitious:

To align PC Practo Online Academy LLP's educational framework with NEP-2020 by combining concept-driven content with affordable, technology-enabled digital systems, ensuring inclusivity and accessibility for all learners.

Content Framework Alignment

NEP-2020 places strong emphasis on curriculum innovation, inclusivity, and outcome-based learning. PC Practo Online Academy LLP's content framework mirrors these priorities:

- **Course creators training** → NEP Ref. 24.3
- **Liberal Arts courses** → NEP Ref. 11.1
- **Outcome-based deep learning courses** → NEP Ref. 11.2
- **Inclusive learning content** → NEP Ref. 14.3

This ensures that learners are not only exposed to diverse disciplines but also trained in ways that foster deep understanding and inclusivity.

Digital Framework Alignment

NEP-2020 also calls for a digital-first approach to education, ensuring affordability and accessibility. PC Practo Online Academy LLP's digital framework reflects this mandate:

- **Courses in digital form** → NEP Ref. 23.1 (Digital transformation)
- **Courses at affordable prices** → NEP Ref. 14.1 (Equity learning)
- **Use of technology** → NEP Ref. 23.2 (Digital methods)
- **Affordable computing devices** → NEP Ref. 24.2 (Accessibility through devices)

By embedding affordability and technology into our delivery systems, we make quality education accessible to learners across diverse socio-economic backgrounds.

Conclusion

The synergy between **PC Practo Online Academy LLP's framework** and **NEP-2020** is not accidental—it is intentional and strategic. By aligning both **content** and **digital systems** with the policy's vision, we are building an ecosystem where education is **inclusive, affordable, and future-ready**.

In essence, PC Practo Online Academy LLP is not just following NEP-2020; we are **bringing its vision to life**—empowering learners, contributors, and educators to thrive in a rapidly evolving digital landscape.
